

FESTIVAL GUIDE

Launched in 2013 this event was originally designed to offer a safe and secure event for those in the lifestyle. By 2016 it had evolved into an event that broadly encompassed ALL adult communities and the LGBT groups.

This award winning adult only event aims to offer an event where you can relax and enjoy the structured entertainment programme, listen to live music and leading club DJ's, join in the fun competitions, or just simply fire up the Barbecue and get to know people. The weekend offers something for everybody including demos and workshops, a themed evening to dress up if you wish and let your imagination run wild or perhaps sitting watching the sun go down in our stunning countryside location.

Our facilities offer the luxuries you need to enjoy the event, including luxurious hot showers and toilets throughout the site, including disabled toilets. The management and staff teams are there to help and easily identified and each year our team grows to deliver the very best for guests.

The simple underlying principle of our success has been to foundation of RESPECT. We welcome and nurture close bonds between ALL lifestyles and sexual orientation groups because everybody understands others personal choices, in our united stance against bigots and bullies, it has been the commitment and support from all of our communities working TOGETHER that continues to nurture friendships and love across the divides.

As well as this "Generic" guide, we also provide a range of additional reference material more specifically for in depth information not addressed here, but we felt it may be useful to cover a few questions we have been asked over the years, anything NOT covered PLEASE email us at enquiries@swingfields.co.uk.

WHO CAN BOOK TICKETS

Basically this event is open to the Lifestyle community, LGBT and Fet groups. The question is easier to ask “Who is NOT invited.... those who are not accepting of others is the simple answer.

IS THIS A SEX FESTIVAL

Lets get the BIG question addressed ! – NO, people have sex in a consenting way at all festivals, in hotels, homes, cars and basically anywhere they choose..... THIS Festival is to provide a safe private event FOCUSED on the above groups, we don't provide any sexual services , we provide the event that guests want, music, facilities, entertainment, comedy, food, bars, and ALL fully licenced and approved by the local Police and Council, as well as great value for money.

ENTERTAINMENT ...?

We have built a great reputation amongst our guests to ensure you have lots to do , if you choose to get involved. Ranging from our Amazing comedian/comper to split your sides (not good if youre easily offended !) some AMAZING bands including those invited back to repeat gigs, if you feel a bit more like a foam party or maybe a go on our Roulette tables (NOT real gambling !) or perhaps get stuck into Jelly wrestling, zorbing or tug of war Be warned, the main entertainment tent in the evenings when our bands are playing is THE most hedonistic atmosphere that is beyond ‘electric’ and features countless times in reviews not only from guests but also from the bands themselves as the standout gig of the year !.

WHAT IS THE ‘MIX’ OF CUSTOMERS ?

As event organisers, one of our key roles is to ensure the mix of guests is spot on, not too many from any group, a good balance of couples, singles and sexuality. This is achieved by our careful selection of ticket options as well as our booking conditions to ensure the right balance...do we get it right....just ask somebody who has been before.

FOOD & DRINK CHOICES ?

Each year we try and vary options to include an ever increasing variety so there is something to suit everybody. We insist our vendors offer REAL VALUE pricing, we do NOT want stupid pricing ! You can bring your own to consume in the tented areas, we simply ask you do NOT consume inside the arena unless purchased inside the arena.

TOILETS & SHOWERS

We will provide a hole in the ground and a bag in a tree full of water....but SERIOUSLY.... The Swingfields facilities are forever remembered. We provide luxurious toilets and showers that, if used sensibly, offer all you need to make it a wonderful event. However, please DONT wash your dishes in the hand basins as this water then fills up the waste tanks really quickly and then WE HAVE TO CLOSE THEM. The same applies for not tipping other liquids down the loos etc, simply use the toilets as toilets..... and the hand washing basins to wash your hands ! Likewise, the showers are hot and lovely..... until everybody decides its great to have a 20 minutes shower three times a day..... we will let you do the maths..... So, sensible use and luxury..... or its back to the hole in the ground..... ;-)

SECURITY

The event team includes a professional security firm who has worked with us since the beginning. Their job is to make YOU feel safe, and make sure the outside world STAYS outside. ID checks, bag checks and constantly being around will allow guests the peace of mind they deserve. P.s. don't feed the dog, it eats unwanted visitors !

So, this is just a small selection of the most popular questions, we are here to help so just ask us if you want to know ANYTHING, most of its covered on the booking conditions or the Q & A on the tickets page when you click the link....but....IF IN DOUBTSHOUT.
